

INSURANCE INSPECTIONS
MADE EASY

1283 Liberty St. Ste 300
Franklin, PA 16323
www.ainspections.com

Allegheny Inspections was formed in 2008 with the mission of providing quality inspections to insure minimal risk.

We provide an array of inspection services including physical, telephone, online, virtual, and self-inspections for commercial and personal lines risks of virtually any occupancy.

Our Inspectors understand the importance of relationships and take pride in providing a *positive and professional inspection experience* for insureds and agents.

Our Coverage territory includes the continental United States.

We've Conducted *hundreds of thousands* of inspections across the nation.

Our Fee Schedule is clear and straight-forward, yet unique to each client based on volume discounting.

On Clients include insurance carriers, wholesale/MGAs, and program administrators.

Advanced Technology provides quick and simple ordering, as well as integration capabilities for complete inspection management.

YOU are our next chance to impress.
